**If you're INNOCENT, read:**

I worshipped the Green Knight—I would never have hurt him! Anyway, I was beginning to get tired of him. Now I'm getting interested in that cute Blue Knight...

**If you're THE MURDERER, read:**

Okay, I did it, but I swear it started because of a misunderstanding. Anyhow, I sneaked backstage to get some pix of him putting on his armor. He was sitting there sharpening the end of a broken lance, although I didn't realize that was what he was doing until later. He yelled at me to get out and started waving the lance in my face. Somehow I got ahold of it and asked how he was going to hurt me with a dull lance, and I pointed it at him, just kidding around, you know? He gave kind of a gasp as it slipped into his chest and I realized it was sharp after all. Then I thought about how he kept humiliating me with the police, and I decided to just shove it in the rest of the way. So I guess it ended up being murder, after all.

**THE END!**
