# **TURK E. LEGG**

Food Vendor, talks constantly about food.

## **ABOUT YOU (to share with others while mingling):**

You were hired to sell food at Ye Olde Renaissance Faire. Although your uniform is vaguely medieval, your job is a lot like food service at a theme park. What you like about your job, though, is that it gives you a chance to talk about food with a lot of people.

## **WHAT OTHERS DON'T KNOW ABOUT YOU (keep this secret)**

You used to be a chef at a fancy restaurant, but you were fired after one of your specialty dishes poisoned several diners. You've changed your name since then, but somehow the Green Knight found out and demanded fifty percent of your paycheck to keep quiet. You talked him down to just ten percent, but he kept hinting that he wanted more.

## **INTRODUCE YOURSELF AT THE START OF THE GAME BY READING THIS:**

My name is Turk E. Legg. I sell a lot of Scotch Eggs, Shepherd's Pie and other treats to hungry fairgoers and co-workers. I also try to tell everyone the details of how each food is made. Lately, though, I've noticed that my co-workers are avoiding me. Is it possible that I'm boring them?

# THE FINAL STATEMENTS

Based on the number on your Who Did It Slip, read your final statement below. If you are innocent, read the INNOCENT paragraph. If you are the murderer, Read the MURDERER paragraph.

## AT THE END OF THE GAME READ THE FOLLOWING

### **If you're INNOCENT, read:**

Hey, if I was going to kill the Green Knight, I would be more likely to use poison than a lance. Actually, he's lucky someone stabbed him before I could serve him a little botulism special I had in mind for him...

### **If you're THE MURDERER, read:**

Okay, I did it, but I swear it started because of a misunderstanding. I sneaked backstage to tell him I wasn't going to pay anymore. He was sitting there sharpening the end of a broken lance, although I didn't realize that was what he was doing until later. He yelled at me to get out and started waving the lance in my face. Somehow I got ahold of it and asked how he was going to hurt me with a dull lance, and I pointed it at him, just kidding around, you know? He gave kind of a gasp as it slipped into his chest and I realized it was sharp after all. Then I thought about how he kept asking for more and more money, and I decided to just shove it in the rest of the way. So I guess it ended up being murder, after all.

**THE END!**
